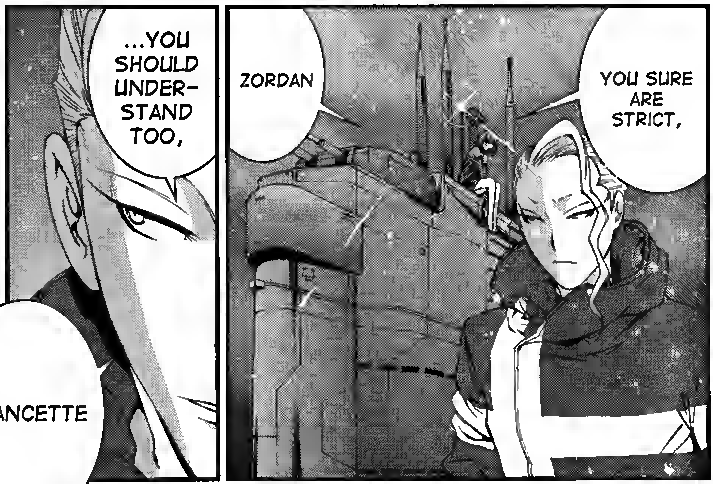
Mental
Model
shows up!

WHAT ARE YOU DOING?
I'M CERTAIN THAT I'VE SAID
THAT I DON'T NEED MENTAL MODELS ON MY SHIP

CAP-
TAIN...
SINCE THIS SHIP USES THE WOLF PACK STRATEGY,
IT MUST BE ABLE TO CONTROL THE "SEEHUND"
THE COMPUTATIONAL LOAD THAT A MENTAL MODEL PUTS ON THE CORE IS NOT NEGLIGIBLE
YES. . CAP-
TAIN...
BUT...
YOU SHOULD KNOW THAT TOO
THE SHIP'S COMPUTA-
TIONAL POWER DECIDES HOW MANY IT CAN CONTROL

I DON'T NEED MENTAL MODELS ON MY SHIP
Y-...
YES...
IF YOU UNDER-STAND, THEN TURN BACK
DON'T LET ME CATCH LIKE THIS EVER AGAIN



...YOU SHOULD UNDER-STAND TOO,
FRANCETTE
ZORDAN
YOU SURE ARE STRICT,

I JUST CAN'T FIND A REASON TO OBJECT
WELL, IT'S MORE LIKE,
I GUESS
AND YET YOU AGREED
"MY SHIP"?
DON'T YOU MEAN
WE DON'T NEED MENTAL MODELS ON THIS SHIP
THEN WE'VE REACHED AN AGREEMENT

GOOD GRIEF
GERMANS ARE SO OBSTINATE
---THESE WINDS FEEL GREAT
I CAN UNDERSTAND WHY SHE WANTED TO MAKE A MENTAL MODEL TO FEEL THIS

クスッ
IT'S SUNSET
POP CORN
WHAT DOES THE SCENERY LOOK LIKE?
ROMUALD
IS SO UNFEELING
THIS SHIP
♪

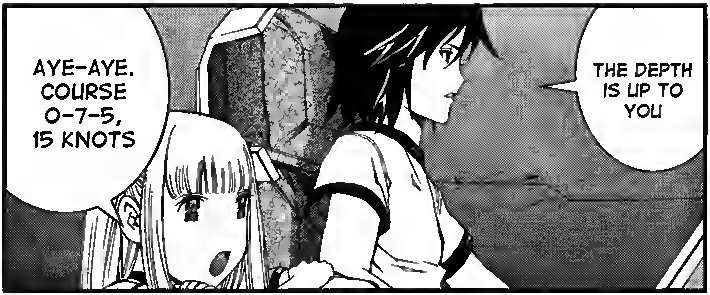
パーパー
IT REMINDED ME OF WHEN I WORKED WITH MY BROTHER, SO IT WAS FUN
NO
WELL DONE. THANKS
HE WOULD BE HAPPY TO HEAR THAT

SO I USED MY SPARE TIME TO MAKE THEM
I STUDIED MYSELF TO MAKE AN INDEPEND-ENT AI
Amazing, right ♡
YOU GUYS DIDN'T COME BACK TO IWO JIMA FOR SUCH A LONG TIME,
SO WHAT ARE THOSE ROBOTS?
BUT BEFORE I KNEW IT, I WAS OBSESSED WITH THEM. I EVEN MADE AN UNDERGROUND FACTORY
I IMPROVED THEM AND MASS PRODUCED THEM WITH A CERTAIN RESTRICTION
AT FIRST, I ONLY MADE A FEW OF THEM AS SERVANTS,
"NO NANO-MATERIALS"~
RESTRIC-TION?

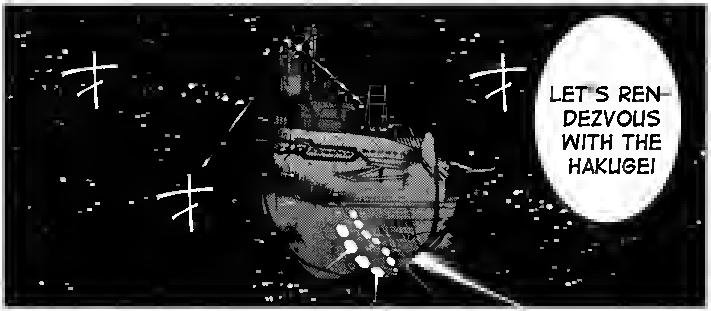
I HAD ALL OF THE RESOURCES THAT I WANTED
I DRILLED DEEP UNDERGROUND FOR MAGMA, AND REFINED IT
BUT WHERE DID YOU GET THE RE-SOURCES?
WOW! THAT'S GREAT,
.....
SEEING THE HOT, RUNNY SUBSTANCE FLOW INTO THE REFINERY WAS JUST..
I FORGOT TO TURN OFF THE ROBOT FACTORY
WHAT'S WRONG?
AH

THEN IWO JIMA IS GOING TO TURN INTO A ROBOT ISLAND, HUH
HYU-GA's ROBO
SO THERE'S NO PROBLEM, RIGHT?
WELL, THEY CAN'T CROSS THE OCEAN,
WHAT ARE YOU GOING TO DO ABOUT THEM?
THIS PLANET IS GETTING TURNED INTO A COMEDY
THANKS TO YOU GUYS,
I'LL CONTACT THE HAKUGEI
beep

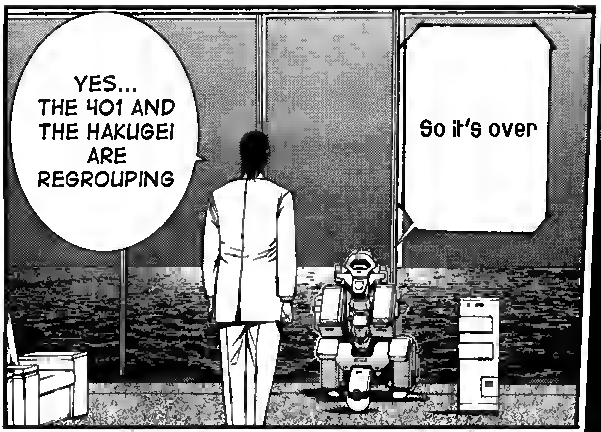
WE'RE SUPPOSED TO BE DEAD FOR NOW, AFTER ALL.
THANKS. LET HAKUGEI TELL HIM
I'LL LET ASSISTANT SECRETARY KAMIKAGE KNOW ABOUT THE ROBOTS
OF COURSE
HYUUGA... YOU CAN STOP THE ROBOTS IF WE NEED TO, RIGHT?
OKAY. CHANGE COURSE TO 0-7-5 AND SPEED TO 15 KNOTS
CAPTAIN, THE SONAR IS READY. THE SURROUNDING AREA IS CLEAR
beep
beep
I'D LIKE TO DEAL WITH THEM, BUT WE'RE SHORT ON TIME
THEN LET'S LET THEM RUN FREE FOR NOW



AYE-AYE. COURSE 0-7-5, 15 KNOTS
THE DEPTH IS UP TO YOU

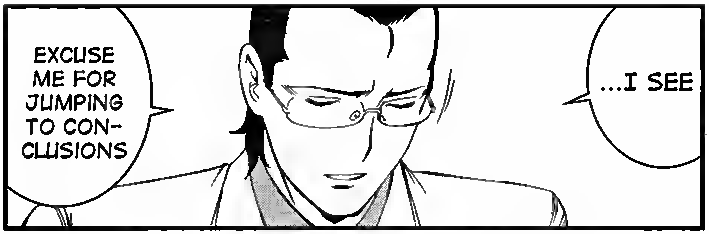


LET'S RENDEZVOUS WITH THE HAKUGEI

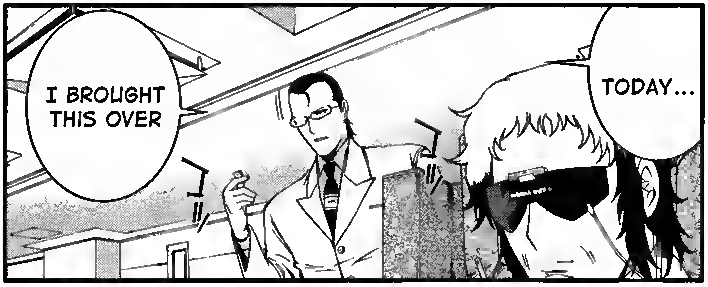


YES... THE 401 AND THE HAKUGEI ARE REGROUPING
So it's over

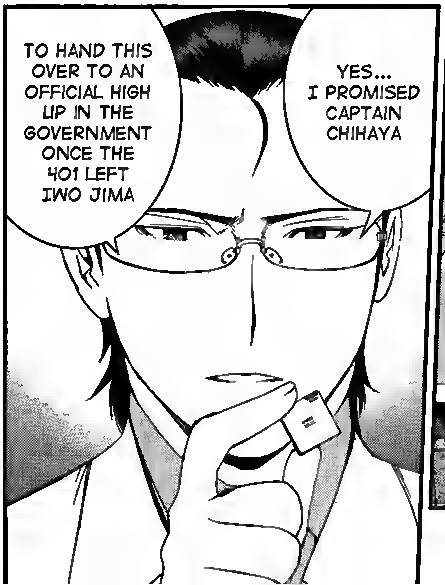
So a dummy is coming in?
IT'S SCHED-ULED TO DOCK IN THE EAST-ERN DOCKS OF YOKOSUKA,
WHICH AREN'T AS DAMAGED
The army will be mad... when they find out that it's a fake
.....
WHAT IF THEY GO OUT OF CON-TROL...
It's okay. Kita will handle them
He can
control them



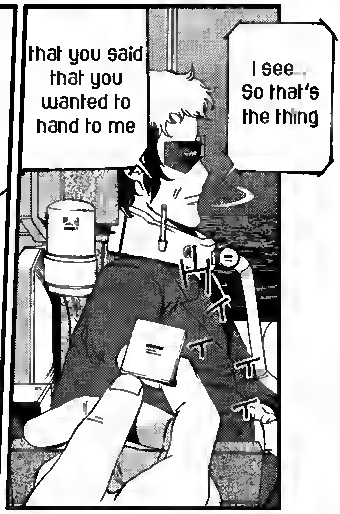
EXCUSE ME FOR JUMPING TO CONCLUSIONS
...I SEE



I BROUGHT THIS OVER
TODAY...



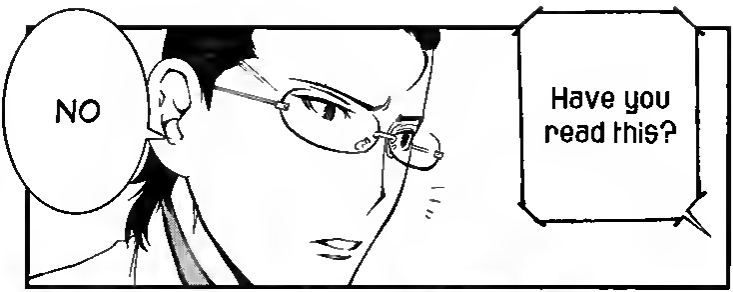
TO HAND THIS OVER TO AN OFFICIAL HIGH UP IN THE GOVERNMENT ONCE THE 401 LEFT IWO JIMA
YES... I PROMISED CAPTAIN CHIHAYA



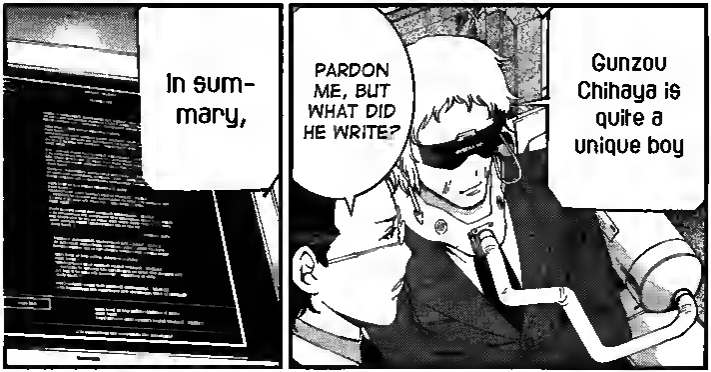
that you said that you wanted to hand to me
I see... So that's the thing

Top: Virus scan complete

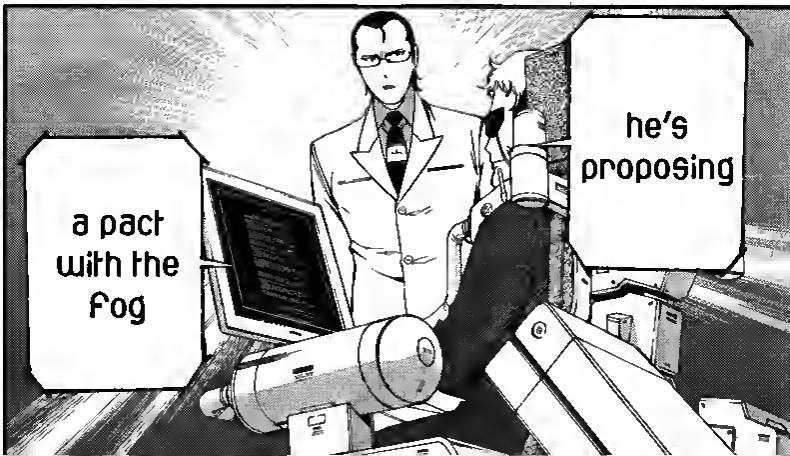
Sender: Gunzou Chihaya
Subject: To Mr. Kamikage



NO
Have you read this?

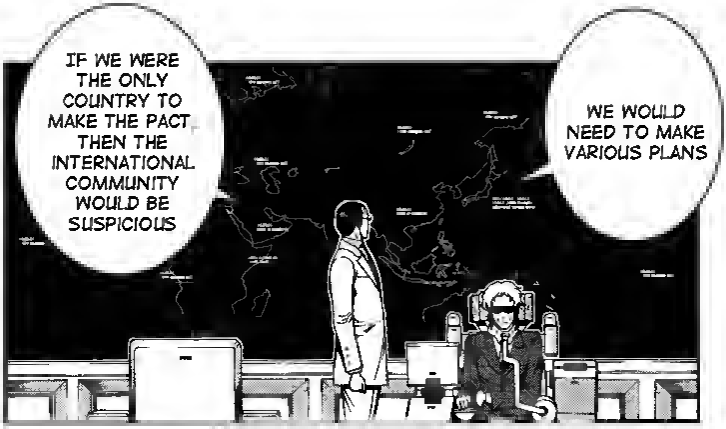


In summary,
PARDON ME, BUT WHAT DID HE WRITE?
Gunzou Chihaya is quite a unique boy

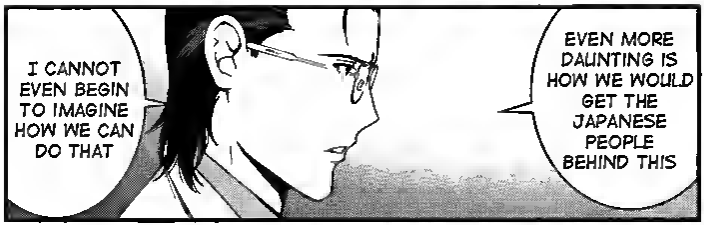


a pact with the Fog
he's proposing

WITH THE FOG...
PACT...
He says that the existence of Mental Models means that
the Fog is showing interest in humans, and that now may be the chance
...What do you think?
SO IT'S HARD FOR ME TO SAY...
I'M JUST A BUREAU-CRAT,
.....



IF WE WERE THE ONLY COUNTRY TO MAKE THE PACT THEN THE INTERNATIONAL COMMUNITY WOULD BE SUSPICIOUS
WE WOULD NEED TO MAKE VARIOUS PLANS

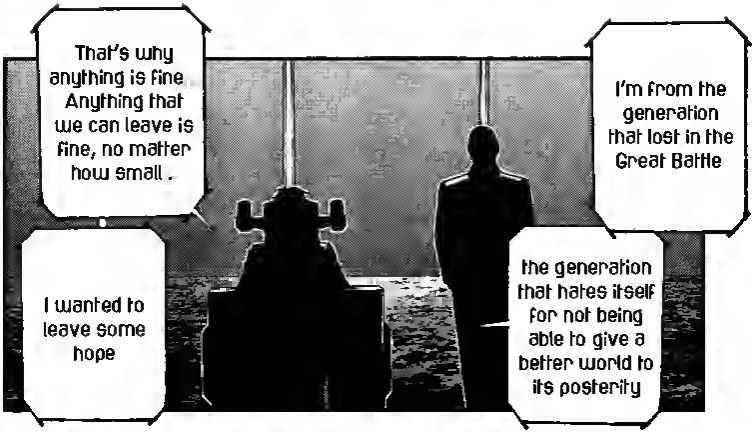


I CANNOT EVEN BEGIN TO IMAGINE HOW WE CAN DO THAT
EVEN MORE DAUNTING IS HOW WE WOULD GET THE JAPANESE PEOPLE BEHIND THIS

HOW-EVER...

exactly
My thoughts

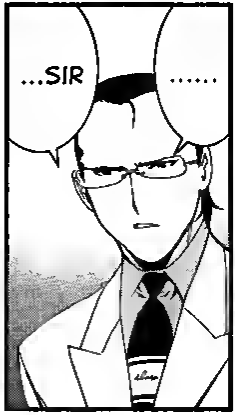
GUNZOU CHIHAYA
I WANT TO TRUST...
TO BE FRANK... AT FIRST, I JUST WANTED TO USE HIM
YES
If not... then you wouldn't have relied on him in the first place?
but now I agree with you
I would've thought that this proposal is a fairy tale,
If I had read this one month ago,



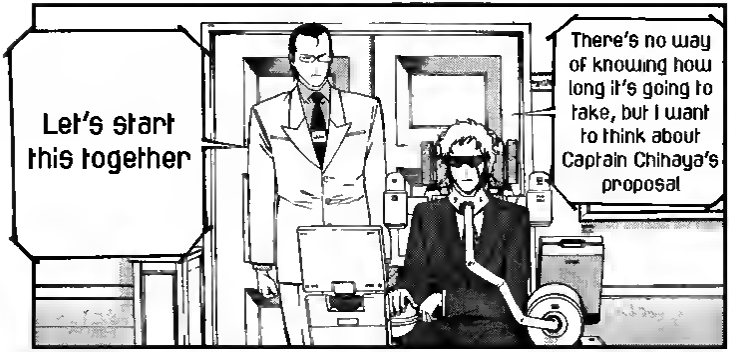
That's why anything is fine Anything that we can leave is fine, no matter how small .
I'm from the generation that lost in the Great Battle
I wanted to leave some hope
the generation that hates itself for not being able to give a better world to its posterity

To be honest, I've fallen into depression many times
But ever since I took office 3 years ago, it has taken my all just to keep the status quo

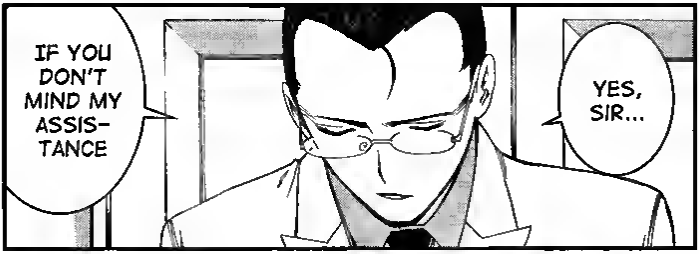
When my morale gets boosted, I get carried away all of a sudden
Deep down inside, I'm really a soldier after all



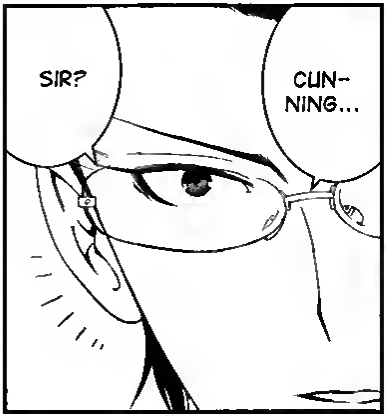
...SIR
.....



Let's start this together
There's no way of knowing how long it's going to take, but I want to think about Captain Chihaya's proposal



IF YOU DON'T MIND MY ASSIS-TANCE
YES, SIR...



SIR?
CUN-NING...

this mail also shows his cunning
On the other hand,

He writes that if the Vibration Warhead transportation plan goes well,
we may be able to use that as a bargaining chip with the Fog...
.....
WE MAY HAVE GOTTEN THAT FROM HIS FATHER
Shouzou was a
wonderful captain
.....

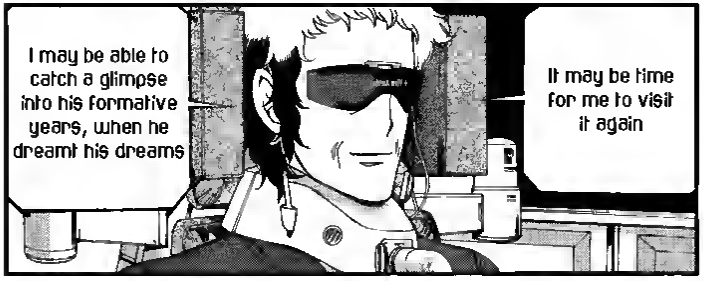
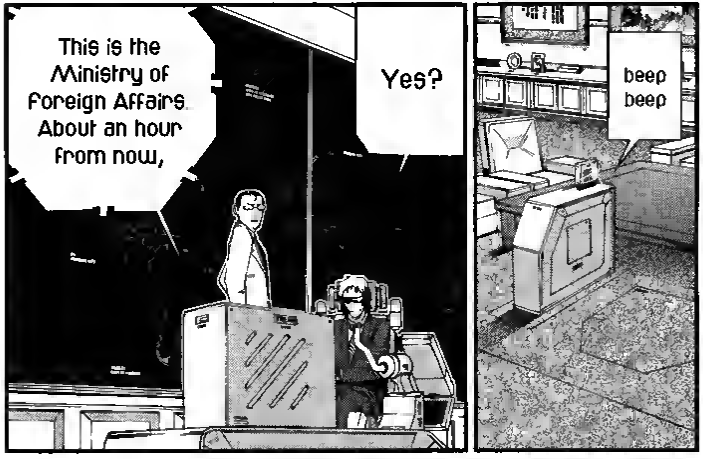
千早群像
GUNZOU CHIHAYA
was a student of the institute, yes?
YES



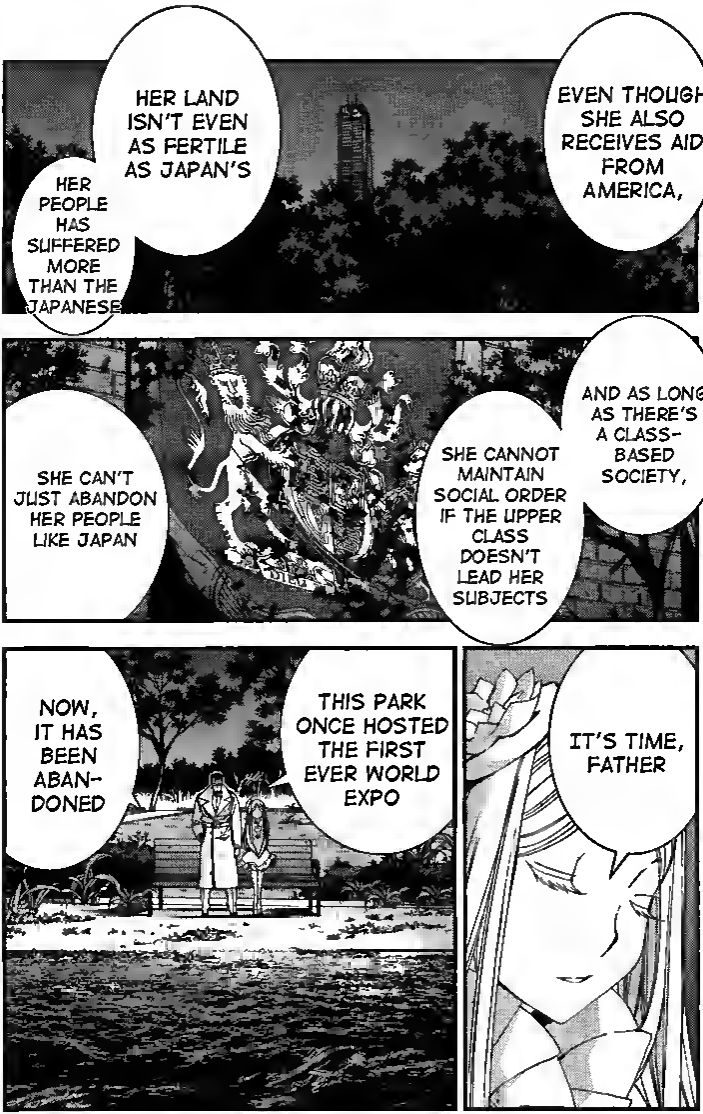
I may be able to catch a glimpse into his formative years, when he dreamt his dreams
It may be time for me to visit it again



This is the Ministry of Foreign Affairs. About an hour from now,
Yes?
beep beep

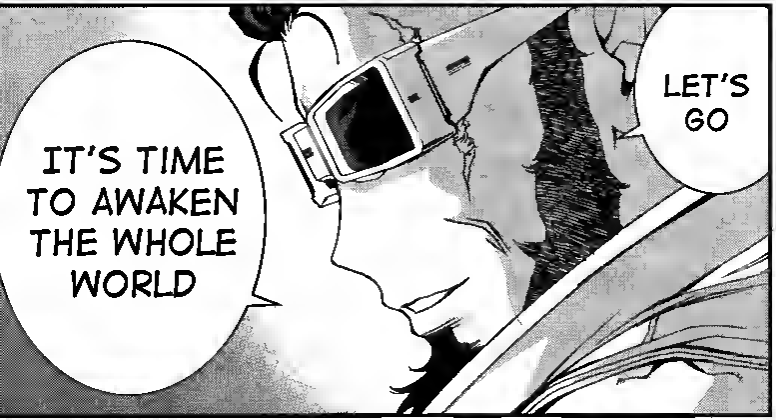
the British government will broadcast an emergency press conference to the world
Yes
The United Kingdom said that?
.....
.....

London
Hyde Park
NO ONE CAN MAKE A MOVE
NO WORD FROM SCAPA FLOW
ALL THEY CAN DO IS SURROUND THEM AT A DISTANCE
LOOKS LIKE THEY'RE ALL BEHAVING THEM-SELVES
ENGLAND DIDN'T GET DRAGGED INTO THE EUROPEAN WAR,
BUT I'M SURPRISED... THIS DIDN'T TURN OUT AS I EXPECTED
BUT SHE WAS ALSO ISOLATED



HER LAND ISN'T EVEN AS FERTILE AS JAPAN'S
EVEN THOUGH SHE ALSO RECEIVES AID FROM AMERICA,
HER PEOPLE HAS SUFFERED MORE THAN THE JAPANESE
AND AS LONG AS THERE'S A CLASS-BASED SOCIETY,
SHE CANNOT MAINTAIN SOCIAL ORDER IF THE UPPER CLASS DOESN'T LEAD HER SUBJECTS
SHE CAN'T JUST ABANDON HER PEOPLE LIKE JAPAN
NOW, IT HAS BEEN ABAN-DONED
THIS PARK ONCE HOSTED THE FIRST EVER WORLD EXPO
IT'S TIME, FATHER

PARKS REFLECT THE COUNTRY IT BELONGS TO
YOU CAN SEE THE STATE OF A COUNTRY BY LOOKING AT ITS PARKS
I'LL KEEP THAT IN MIND



LET'S GO
IT'S TIME TO AWAKEN THE WHOLE WORLD

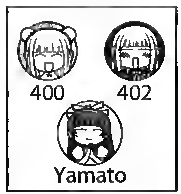
会社作るってマヂ!?（総旗艦様のお言いつけだよ）

あのですね、総旗艦様
はいぃ ニコニコ
例えば、どんな企画をご所望で？
何をするかによっては、人員、機材も必要になりますし
そうですねぇ――そう言えば、前に402が連れてきたニンゲンがいたではないですか、あの方に聞いてみましょう。で、あの方はいずこに？
その――踏んづけられてます
えぇ
延々足蹴にされてます――
まぁ、私としたことが、これは何てはしたないことを。申し訳ありません。で、あなた様は何か妙案がおありですか？
――踏りないのですか
どうすんの



浮くない薄い本も、思えばあなたの発案でしたし――えぇいっそのこと、会社化して手広くやったらどうかですって？
いや、それはちょっと。偽造しなければならない書類とか諸々考えると
会社――女社長――翻弄業婚記
もしもし？総旗艦様？
会社――創りましょう、創業しましょう。良いね、きっと楽しい会社になるわ。受付嬢とかタカオにしましょうか。営業は巡航が好きなコンゴウにお願いしましょう
どうすんの

いや――どうする言われても――もう ニコニコ も拒否れてるし
そうと決まれば、社名、社名を考えましょう！
いつになったら、アドミラリティ・コード探しに行けるわけ？

402: Are We Seriously Going to Make a Company!?

(400: Orders from the Supreme Flagship)

402: Um, O Supreme Flagship?

Yamato: Yes? *smile smile*

402: What do you want to make?

400: We need different people and equipment for different things.

Yamato: I see... Speaking of which, I heard that 402 brought back a human last time. Let's ask that person. So, where is he?

402: Umm... You're stepping on him...

Yamato: Huh?

400: He's under your feet...

Yamato: Oh my, how shameful of me. Excuse me. So, do you have any ideas?

402: ...Are you not going to get off of him first?

Yamato: The not-so-thin booklet was your idea too... Huh? "Why don't you just make a company to handle everything?"

400: No, that's a little too much.

402: We have to file lots of paperwork and fake lots of documents.

Yamato: Company... Female president... Rags-to-riches story...

402: Hello? O Supreme Flagship?

Yamato: Let's... make a company. Let's start a business. Yes, I'm sure that it'll be a fun company. Let's make Takao the receptionist. Kongou will handle sales, since she likes to sail around.

400: What are we going to do?

402: Well... There's no use asking me that... She's already forgetting the "*smile smile*" parts.

Yamato: Now that we're set, let's think up of the company's name!

400: When will we go look for the Admiralty Code?

402: Dunno. ('A`)
